EDSC DUTY MANAGER 2019

Each membership is required to undertake at least 2 duties during the season. Joint members who are both fully active are kindly requested to undertake 2 duties each; and any member who wishes to undertake more than 2 duties is welcome to do so. New members joining after the signing on days in January are requested to contact the sailing secretary to register for duty manager. Contact sailing-secretary@eastdorsetsailingclub.co.uk

Please sign up for your duties with the signing on team using this form before you submit your membership renewal. Please use an **individual** email address and mobile number where possible so you get a personal reminder of your upcoming duty. However if joint members only have one email address use that for all duties.

You can check and manage your duties via Members/Duties on the club website and you can check we have your correct email address in the system when you renew your membership by logging onto the club website Members/Manage Account. You can also update your username and login for accessing the members section of the club website if necessary.

Please note: Renewal will not be accepted unless at least 2 duties have been agreed and a member of the signing on team during membership renewal countersigns this form.
